Dear Mrs. Bradley:

It is my pleasure to inform you that The Genesis Center of Winder, LLC has been issued CARF accreditation based on its recent survey. The Three-Year Accreditation applies to the following program(s)/service(s):

Outpatient Treatment: Opioid Treatment Program (Adults)

This accreditation will extend through December 31, 2027. This achievement is an indication of your organization's dedication and commitment to improving the quality of the lives of the persons served. Services, personnel, and documentation clearly indicate an established pattern of conformance to standards.

The accreditation report is intended to support a continuation of the quality improvement of your organization's program(s)/service(s). It contains comments on your organization's strengths as well as any consultation and recommendations. A Quality Improvement Plan (QIP) demonstrating your organization's efforts to implement the survey recommendation(s) must be submitted within the next 90 days to retain accreditation. In addition, a SAMHSA Implementation Report (SIR) verifying implementation of actions to be in full conformance with the standards cited in the SAMHSA Supplement must be submitted within the next 180 days. The QIP and SIR forms are posted on Customer Connect ([customerconnect.carf.org](https://customerconnect.carf.org)), CARF's secure, dedicated website for accredited organizations and organizations seeking accreditation. Please log on to Customer Connect and follow the guidelines and instructions contained in the QIP and SIR forms, respectively.

Your organization should take pride in achieving this high level of accreditation. CARF will recognize this accomplishment in its listing of organizations with accreditation and encourages your organization to make its accreditation known throughout the community. Communication of the accreditation to your referral and funding sources, the media, and local and federal government officials can promote and distinguish your organization. Enclosed are some materials that will help you publicize this achievement.

Your organization's complimentary accreditation certificate will be sent separately. You may order additional certificates from Customer Connect (<https://customerconnect.carf.org>).

If you have any questions regarding your organization's accreditation or the QIP, you are encouraged to seek support from Michelle O'Reilly by email at [moreilly@carf.org](mailto:moreilly@carf.org) or telephone at (888) 281-6531, extension 7136.

CARF encourages your organization to continue fully and productively using the CARF standards as part of its ongoing commitment to accreditation. CARF commends your organization's commitment and consistent efforts to improve the quality of its program(s)/service(s) and looks forward to working with your organization in its ongoing pursuit of excellence.

Sincerely,
