Re: Accreditation Certificate

Congratulations! The accreditation certificate for Ringgold Treatment Center, LLC is enclosed. We encourage you to display the certificate as a symbol of your organization's commitment to quality. Additional certificates can be ordered via Customer Connect (<https://customerconnect.carf.org>).

Your organization's accreditation award is through 1/31/2027, with an annual demonstration of conformance to the standards, policies, and procedures required to retain accreditation. Each year, when your organization submits evidence of its continued conformance to the CARF standards, we will send you a gold seal to add to the certificate.

We commend your organization for its commitment to improving quality and appreciate your dedication to CARF International accreditation.

If you have any questions regarding your organization's accreditation, please call your resource specialist, Michelle O'Reilly, toll free at (888) 281-6531 [dial +001 (520) 325-1044 from outside the US and Canada], extension 7136.

Our staff looks forward to working with you in your ongoing pursuit of excellence.
